

# Get to Know Your Device

MiFi® 6620L

## Overview

NOTE: Appearance of device may vary.

WARNING! Please use only an approved charger to charge your Jetpack. Improper handling of the charging port, as well as the use of an incompatible charger, may cause damage to your Jetpack and void the warranty.

## Operation Status

Operations	Actions
Power On	Press and hold the Power button for two seconds to turn on. Audible alert sounds on startup and shutdown.
Power Off	Press and hold the Power button until <b>MiFi Powering Off</b> displays.
Display Wake-Up/Sleep	When the display is off, the first quick press of the Power button wakes up the display.  When the display is on, the first quick press of the Power button puts the display to sleep.
Power Indicator	When the display is off and the Jetpack is powered on, the Power indicator  light blinks.
